Quilts **MUST** be claimed on Saturday, June 23. Take down of the show will begin at 4pm. No quilts will be released until Take Down is complete and frames have left the building. There will be NO exceptions to this policy.

Expected release of quilts could begin around 5pm depending on the speed of Take Down. Take down progresses very quickly, we would advise that you be in the building by 5pm. We expect to be completely out of the building by 6pm based on previous years' experiences. These times are not guaranteed and are partially dependent on the number of volunteers available for take down.

To Claim Your Quilts:

1. Present this receipt
2. Photo ID (unless you are known to the security team)
3. To have your quilts picked up by someone other than yourself, that person will need this receipt and there must be a signed authorization by you on the back of this receipt. We would appreciate advance notice of such situations.
