Confetti Set of Four Placemats or Table Runner

12" x 17" and 12" x 40"

© 2014 Donna Lynn Thomas

Choose a dark and medium print from three color families to form the gradation twist. Then choose a cream background print. I chose red, blue and green but any theme or color combination will work!

Materials for Four Placemats

9" x 21" piece each of a dark green print, a dark blue print, and a dark dusty red print
10" square each of a medium green print, a medium blue print, and a medium dusty red print
1 1/4" cream background print

Materials for the Table Runner

10" square each of a dark blue print, a medium blue print, a dark green print, a medium green print, a dark dusty red print and a medium dusty red print.
5/8 yard of cream background print.

Pre-Cutting for Class:

We will work on the placemats in class. Please cut the following pieces and bring them to class along with all your leftover fabrics.

From each of the medium green print, medium blue print, and medium dusty red print, cut:

2 squares, 3 1/4" x 3 1/4". Cut each square twice diagonally to make 8 quarter-square triangles.

From the cream background print, cut:

2 strips, 3 1/4" x 42"; crosscut into 18 squares. Cut each square twice diagonally to make 72 quarter-square triangles.

1 strip, 12 1/2" x 42"; crosscut into 4 pieces, 8 1/2" x 12 1/2".

3 strips, 1 1/2" x 42"; crosscut into 8 strips, 1 1/2" x 12 1/2".
