Instructions are for a Twin size quilt (66.5” x 72”) (48) blocks

Independence is a 3 color quilt. You will need to choose from 3 contrasting colors. For example: red/white/blue or teal/purple/gray or pink/white/black. Choose fabrics little to no texture(no big prints). You will have more color/value with solid colors than prints. You can save the big, bold prints for the border. Remember: 2 of the colors will be the “weave” and the third color is the background and the inner border.

Color#1 is the background: You will need $\frac{3}{4}$ yard. Cut (192) 2 inch squares.

Color #2 is the “weave” color: You will need 2 yards. Cut (384) 2” x 3.5” rectangles.

Color #3 is also the other “weave” color. You will need 2 yards. Cut (384) 2” x 3.5” rectangles.
